Styled PDF edition generated from the canonical Markdown analysis report for improved readability, section hierarchy, and table presentation.

Executive Verdict

This automated official refresh report closes `wave 5.1 harmonic-prior residual refresh`.

Decision

- `wave3_harmonic_prior_residual_registry` is closed as verified exploratory baseline; not promoted over the accepted direction-parallel leaders.
- The strongest refreshed aggregate candidate is `wave3_harmonic_prior_residual_pointwise_control_Bw`.
- The accepted direction-parallel baseline changes only after a human closure review records that promotion explicitly.
- This launcher-generated report is part of the same operator run as the matrix, collage, overlay, and PDF exports.
